Withdrawal From Competition

Dogs which become eligible for Best in Show may be withdrawn from all other competition other than breed Classes prior to the competition for Best in Show, as appropriate in order to remain unbeaten. A dog in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.

Proviso: For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be beaten dogs

- 13 Exhibits will not be admitted to Best In Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
- 14 No modification will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
- 15 All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- 16 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

17. DOGS IN CARS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

- 20 Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club Registered
- 21 In the event of a Judge being prevented from fulfilling his or her engagement, the Committee reserve the right to appoint another in his or her place. Exhibitors may withdraw from competition but no entry fee can be returned

- 22 The Hon Veterinary Surgeon or Hon Secretary will be empowered to exclude any dog which in his opinion is not in a fit state for exhibition, either from disease or any other reason, and if such exclusion takes place either before or after the dog is judged, entrance fees will be forfeited.
- 23 The Committee will not be responsible for the loss or damage to any dog or dogs or property, whether arising from accident or any other cause whatever, nor for any act of omission of themselves, their officers, servants or others, and it is on this understanding only that entries are accepted.
- 24 Should any question arise not provided for in these Regulations, the decision of the Committee shall be final, subject only to appeal to the Kennel Club
- 25 Exhibitors must provide drinking bowls and food for their dogs and are responsible for clearing up and removing loose hair or fouling from dogs in their charge. This also applies to any other litter, whether in the car park, exercise area or from any other part of the venue and its precincts. This is now a Kennel Club requirement and offenders may be reported for further disciplinary action. Please consider others and ensure that this venue is kept as clean and tidy as possible, and every facility will be provided for cleaning up any dirt left by your dog or yourselves
